**NEWS & STORIES**

**Our CEO's Message**

As PSC season begins to wind down, I am reminded of the feelings that go along with moving to a new duty station, adjusting to new neighbors, taking on a new role, and trying to find a sense of connection and community. The unique challenges and sacrifices of military families inspires us to continually improve our service delivery at Hunt Military Communities. During September we will have several community-wide focuses. The first is Suicide Prevention Month. This month we will be hosting several speakers and sharing important educational materials on this most important topic.

On average, 22 active or retired service members take their own lives each day, and unfortunately I know this pain too well having lost several of my Marines to suicide. We can help those in need by learning the warning signs and the appropriate resources available to help service members in need. Please look at the schedule of events you can attend and help us make mental health a priority for our military families. The other notable event is the anniversary of 9/11. In memory of those who lost their lives and those whose lives are forever changed, we will be hosting Never Forget Walks in each of our communities. Additionally, we will have an opportunity for children to write a 100-word essay on "What It Means To Be A Patriot," to help them grasp the selfless commitment of their family service member. More information to follow on both of these important events. We look forward to your participation.

Thank you for allowing us the opportunity to serve you.

Best,

**Brian Stann, CEO**

# Back to School Safety Tips

## Transportation Safety

Whether children walk, ride their bicycle or take the bus to school, it is extremely important that they take proper safety precautions. Here are some tips to make sure your child safely travels to school:

### Walking to school

Review your family's walking safety rules and practice walking to school with your child.

- Walk on the sidewalk, if one is available; when on a street with no sidewalk, walk facing the traffic.
- Before you cross the street, stop and look left, right and left again to see if cars are coming.
- Make eye contact with drivers before crossing and always cross streets at crosswalks or intersections.
- Stay alert and avoid distracted walking.

### Riding a bicycle to school

Teach your child the rules of the road and practice riding the bike route to school with your child.

- Ride on the right side of the road, with traffic, and in single file.
- Come to a complete stop before crossing the street; walk bikes across the street.
- Stay alert and avoid distracted riding.
- Make sure your child always wears a properly fitted helmet and bright clothing.

### Riding the bus to school

Teach your children school bus safety rules and practice with them.

- Go to the bus stop with your child to teach them the proper way to get on and off the bus.
- Teach your children to stand six feet (or 3 giant steps) away from the curb.
- If your child must cross the street in front of the bus, teach him or her to walk on the side of the road until they are 10 feet ahead of the bus; your child and the bus driver should always be able to see each other.

### Driving your child to school

Stay alert and avoid distracted driving.

- Obey school zone speed limits and follow your school's drop-off procedure.
- Make eye contact with children who are crossing the street.

## School Safety

Many school-related injuries are completely preventable. Follow these steps to ensure your child's safety at school:

### Preventing backpack-related injuries

Choose a backpack for your child carefully; it should have ergonomically designed features to enhance safety and comfort.

- Ask your child to use both straps when wearing their backpack to evenly distribute the weight on their shoulders.
- Don't overstuff a backpack; it should weigh no more than 5 to 10 percent of your child's body weight.
- Rolling backpacks should be used cautiously since they can create a trip hazard in crowded school hallways.

### Preventing playground-related injuries

To reduce strangulation hazards on playgrounds, have your child leave necklaces and jackets with drawstrings at home.

# HUNT HEART PROGRAM

## SPOUSAL OUTREACH SUPPORT

---

Life as a military spouse has its own challenges, but deployment brings on additional challenges for the spouse who cares for the home. Today's military families may be faced with multiple deployments or have to leave home for extended periods of training and the spouse who stays home shoulders the responsibility of maintaining the home life, and caring for children and pets, often while supporting a career. Spouses of deployed service members are faced with fulfilling the roles of both parents while bearing the emotional load of concern about the safety of the deployed spouse and the risk they face abroad.

Hunt recognizes these challenges and cares about our service members and their families. This is why we have established the **Hunt Heart Spousal Outreach Support (SOS) Program** for our resident families during a time when the spouse is deployed or away from home.

The **Spousal Outreach Support (SOS) Program** is backed by a team of caring individuals whose goal is to make life a little bit easier and bring smiles to the faces of family members while the service member is not there.

## QUALIFICATIONS

Any resident with a spouse who is deployed, will be deploying or will be leaving for an extended period of time qualifies to be in the Hunt Heart Spousal Outreach Support Program (SOS).

## ENROLLMENT

Residents who want to be considered for the SOS Program should contact the leasing office for enrollment. You will need a copy of your orders and a Power of Attorney to get started.

---

The **SOS Program** serves as an added bonus to living at a Hunt military community by providing deployed or absent service members peace of mind knowing that their loved ones will always have someone to contact for assistance while they are away.

## SPOUSAL OUTREACH SUPPORT (SOS) BENEFITS:
