PACIFIC NORTHWEST INSIGHTS NEWS & STORIES

Month of the Military Child

Our President's Message

April is the Month of the Military Child and during this month, Hunt Military Communities celebrates the youngest members of our communities. Military children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods of time. We are proud to acknowledge and support the tremendous strength and resiliency of our military children, along with the sacrifices. This year, for the third time, we are hosting our Hunt Little Heroes program. Encourage your children to share stories of how they have been a hero and positive influence in their com-

munity. Applicants are asked to submit a 300-word essay, or a video telling their "Hero Story." All applicants will receive a complimentary Hunt Little Heroes cape, mask and challenge coin. Three winners will receive cash prizes and matching donations to the charity of their choice.

From all of us here at HMC, thank you for your service and sacrifice.

Best,

Brian Stann

Yard Sale

We have scheduled a community yard sale for April 23-24th. Each household will be responsible for setting up and managing your own sale on your property; however, property staff will take care of the advertising and signage. If the younger residents want to partake we encourage them to put up lemonade and/or treat stands on their property during the sale.

Dump Day

We will also be having a Community Dump Day on Monday, April 24th. So anything you don't sell at your yard sale or any extra garbage and/or bulky items you may have can be thrown into the dumpsters that we will have on the property. DO NOT overfill the dumpsters. If the dumpster is full, please try a different one, if they are all full, please take your items to the dump. Locations of the dumpsters are still to be determined. No hazardous materials are allowed.

Inspections

Reminder: the CNIC 031B Inspections are coming this July. Congress is directing the inspections and wants an independent, third party contractor to identify issues and ensure all private housing is in compliance with applicable housing codes. So they will be inspecting every single home inside and out in every private military community like ours. The intent is to ensure your home is safe and habitable.

Maintenance

For maintenance please call:

24/7 Maintenance Request Line: 866-616-3267

Or the Office: 360-394-7297

You can also put in maintenance requests on the Hunt Resident App or Online Portal.

Emergencies that are a potential threat to life, health and safety need to be called in.
