PACIFIC NORTHWEST INSIGHTS NEWS & STORIES

Congratulations Graduates of 2022!

Our President's Message

Dear HMC Residents,

This month we officially welcome summer, celebrate graduations, observe Father's Day, and prepare for PCS season.

Congratulations to all of our graduates. Whether you are graduating college or kindergarten, taking the next step in your educational career, and in life, is important and should be celebrated!

We want to ease the burden and stress that often comes with moving, and one way we can do this is to ensure we are providing clear communication, answering questions, and walking you through the process. You are encouraged to reach out to your Resident Service Specialist once you have received orders so they can guide you through every step.

On behalf of Hunt Military Communities, I wish all of our fathers and father figures, a Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

Semper Fidelis,
Best,

Brian Stann

EVENT: TOWN HALL MEETING 5/24

Constitution Park Town Hall Minutes

Town hall meeting was called to order Tuesday May 24th at 1700. The meeting was held indoors at the Community Center. Four residents attended. Representatives from Installation (CO, IN9, and Housing Service Center) and Constitution Park Community Director were present. Additionally, representatives from Fleet and Family Service Center and MWR were also present to promote their programs.

CAPT Menzel spoke about the upcoming Third party inspections mandated by Congress on all PPV units that will be held in July 11 thru July 22. These inspections he stated is to protect the residents and to ensure homes are within housing codes. All 141 homes need to be inspected and is encouraged that a resident be home for the inspection. HSC will be calling residents to set up appointments. With USS MOMSEN currently deployed, Mrs. Roberts asked if she can represent the residents in case they will not be home. Other topics discussed included:

Washer/dryer hook ups- we've had washer leaks that the resident has been responsible and has been very expensive. He strongly recommended have renters insurance that covers water damage. Hunt representative also mentioned to ensure families have the right type of insurance.

Community "Pride and Ownership". Residents are responsible for home exterior; mowing/weeding of their back yards and to continue to make CP a nice place to live.

Summer safety no fireworks. Have fun and be safe.

Community Director is soliciting ideas for Father's Day.

Plan on having a Community BBQ this summer

New Maintenance tech Harrison Walker started

There was a homeless female living in the wooded area next to the main road, they have talked to her and she is no longer there.

Fleet and Family, CYP and MWR all talked about events coming up throughout the next couple of months. Events will be posted in navylifepnw.com and also will be shared with the RSS for distribution.

CAPT Menzel gave the closing remarks and thanked everyone for their attendance. Meeting ended at 1745.
