

COMMUNITY DIRECTOR UPDATE NOVEMBER 1, 2025

COMMUNITY NEWS

A "Thankful" tree has been placed in the Community Center.

We commit to putting a leaf on the tree daily. Please stop by and fill out a leaf with what you are thankful for and place it on the tree. Let's see how big we can make our tree!

New Dog Park Equipment

Exciting news! New dog park equipment will be installed this month. Please look out for an upcoming email detailing the installation date and the types of equipment.

Upcoming Office Closures: Honoring Veterans & Giving Thanks

Please note our office will be closed on:

- Tuesday, November 11th in honor of Veterans Day.
- Thursday, November 27th for Thanksgiving Day.

MAINTENANCE UPDATES

Daylight Saving Time Ends Sunday, November 2nd.

As we "fall back" and set our clocks one hour earlier, it's a great time to take care of a few important home maintenance tasks.

Check smoke and carbon monoxide detectors (CMDs).

Our CMDs are dual-function and typically located:

- In the upstairs hallway near bedrooms (two-story homes).
- In the main hallway near bedrooms (single-story ADA homes).
- Replace batteries if needed.

Inspect your furnace filter:

- New filters are available at the Leasing Office.

Replace your refrigerator water filter:

- These can be purchased online or at any home improvement store.

Update clocks on non-smart devices:

- Don't forget to adjust the time on your car, microwave, stove, and other manual clocks.

COMMUNITY UPDATES & EVENTS

RESIDENT SURVEYS ★★★★★

In the month of September, we completed 67 work orders, 7 of which were emergencies, and we received 7 work order surveys for an **overall score of 4.94 out of 5**, which is exceptional!

Big shout-out to Harrison. The maintenance survey stated: "Maintenance was very communicative from start to completion. He was very specific about what he was doing. I'm very impressed and satisfied with the service."

Please keep filling out the surveys! Your feedback is important, and the team loves the positive feedback.
