COMMUNITY UPDATES & REMINDERS

COMMUNITY UPDATES

We currently have openings for our Community Advisory Board (CAB). This is free and a great opportunity to:

- Have your voice heard.
- Ask questions.
- Help shape our community.

Interested? We'd love to see you at our regular monthly meetings on the last Thursday of every month. For more information or to join, please contact the office at (360) 994-0450. We look forward to seeing you there!

It's almost time to spring forward!

Daylight Saving Time begins on Monday, March 9th, bringing longer, brighter evenings to enjoy. Even better, the first day of spring arrives on Thursday, March 19th, hello sunshine and warmer days ahead!

MAINTENANCE UPDATES

March maintenance is all about transitioning from winter to spring! Here are a few helpful tips to get your home and yard ready for the warmer months ahead:

- **Kick-start your summer yard:** Begin by clearing away any leftover winter debris. Rake leaves, sticks, and any buildup from your lawn and garden beds to promote healthy new growth.
- **Prepare your lawn equipment:** Before the growing season begins, take time to service lawnmowers, trimmers, and other yard tools.
- **With the time change approaching, it's also the perfect moment to:**
 - Test your smoke detectors and replace batteries if needed.
 - Change your furnace filters. We have free filters available in the office, so feel free to stop by and pick one up!

If you have already contacted our local Management and Housing office team and are not satisfied with the outcome, or if you have words of praise to share, we encourage you to reach out to our senior management.
